THE TOMBSTONE MILL AND MINING COMPANY,

220 SOUTH FOURTH STREET,

GEORGE BURNHAM, PRESIDENT.

W. J. CHEYNEY, GENERAL MANAGER.

I. W. McELWEE, ASST. TREAS. & SEC.

Philadelphia, 6/27 1891

My dear Sam.

I have just wired you that a check for \$5000. is en route. In looking over my hurried letter of yesterday enclosing it I do not see that there is anything to add as to its application, but I wish you would telegraph me on receipt of this just how many shares have been deposited with Judge Goodwin and I will at once forward any additional amount you may need.

I need, under instructions from Senator Stewart to be with you and Judge Goodwin before I can arrange that Doly matter and I would be glad to be by July 6th if I was not tied by the Haver Co. litigation, but I do not now know when I can leave but I may know by 30th inst.

meation July 6th because you say delinquent stock will be advertised then - I think this ought to be deferred 30 days. Such postponements are unusual and fair to stockholders who need time to get their money out of this disastrous mine. I am, Sir, very respectfully,
Yours truly,
George Burnham
